

**New Delhi, July 29, 2024:**

Plasser India is proud to announce that it has been awarded the esteemed Great Place to Work® Certification by the Great Place to Work® Institute for the third consecutive year. This certificate is valid from July 2024 to July 2025, highlighting the company's steadfast dedication to promoting a positive and inclusive workplace culture.

"We are truly excited to be acknowledged as a fantastic workplace for the third time in a row", remarked Mr. Siegfried Fink, Managing Director, Plasser India. "At Plasser India, we are committed to fostering an inclusive environment where every team member is respected, valued, and empowered to reach their full potential."

The Great Place to Work® Certification is awarded to organizations that deliver excellent employee experiences and demonstrate best-in-class people practices based on a rigorous assessment process. The assessment is based on the Great Place to Work® model, which evaluates a workplace based on its Trust Index© and Culture Audit© attributes. Based on the assessment by the Great Place to Work® Institute, Plasser India scored exceedingly well on attributes such as High-Trust, High-Performance Culture™ – Credibility, Respect, Fairness, Pride and Camaraderie.

Plasser India remains dedicated to enhancing its workplace culture and ensuring that every employee feels engaged and motivated. The company's focus on professional development, diversity, and employee well-being continues to set it apart as an employer of choice in the industry.

**About Plasser India**

[Plasser India](#) is a leading track maintenance machinery and solution provider. The company is known for its innovative technologies designed to enhance track safety, efficiency, and longevity. In 2019, Plasser India established a state-of-the-art manufacturing plant in Karjan, Gujarat, underscoring its 100% commitment to the Make-in-India initiative and its dedication to also serving global markets. Today, Plasser India employs approximately 1,400 people and boasts a proven track record of having successfully supplied over 1,500 track maintenance machines to Indian Railways and other customers.

**About Great Place to Work®**

[Great Place to Work®](#) is a global research and consulting firm dedicated to improving workplace culture. The organization is best known for its rigorous employee surveys and assessments that measure employee satisfaction and trust within organizations.
